The screenshot displays a web application titled "Appointments" running on a local server at `localhost:3000/Appointments/Anesthesiology?`. The interface is divided into two main sections: a sidebar on the left and a main content area on the right.

Sidebar (Left): The sidebar has a dark purple background with the title "Appointments" in white. Below the title is a vertical list of department buttons, each with a white plus icon and a white text label. The departments listed are: Anesthesiology department, Cardiology department, ENT department, Gastroenterology department, General surgery, Gynaecology department, Pediatrics department, Psychiatry department, Neurology department, Orthopaedic department, Urology department, and Blood Donation.

Main Content Area (Right): The main content area has a light purple background. It features a table with six columns: Department, Id, Name, Date, Phone No, and Email. The table contains two rows of data, both for the "Anesthesiology Department".

The image is a screenshot of a web browser displaying a hospital management system interface. The browser's address bar shows the URL 'localhost:3000/user/63a1e138a3ae349ec98ba5cd'. The page has a purple header with a red cross logo and navigation links: 'Home', 'Update info', 'your appointments', and 'Buy medicines'. The main content area is light blue and displays user details for a specific user (UID: 63a1e138a3ae349ec98ba5cd): Name: Soumyadeep Sinha, Email: deepsnewmail1234@gmail.com, phone NO.: 7974703456, and Password: 1234567. A note below the details says 'Note: copy the UID if u want to update user info'. A black terminal window is overlaid on the right side of the page, showing MongoDB connection logs and a successful function call for the user. The bottom of the page has a dark red section with a yellow button 'CLICK HERE TO UPDATE DATA'. Below this is a form with a text input 'Enter the UID to confirm' and a red 'Delete Account' button. The Windows taskbar is visible at the bottom with the time 13:49 and date 25-12-2022.
